

Kiowa County Commissioners Meeting
Courthouse Lower Level Conference Room
April 4, 2013

Election Canvass of the General City/School Election of 2013

Present: Ron Freeman, John Unruh, Bert Lowery and Kristie Odle

9:00: John opened the meeting.

Kristie gave each board member a spread sheet copy of the results of the General City/School Election. She explained the nine provisional ballots and seven advance ballots.

Kristie read the results from the voting machine tape. Kristie presented the unopened provisional envelopes and advanced envelopes. They were turned upside down so as not to see names on the front. Kristie opened each envelope, removed the ballot, and then read the votes on each ballot. These votes were recorded in the Provisional and Advance column of the spread sheet and then added to the subtotal column to determine the total number of votes for each candidate. After the totals were verified, the Canvassing Board certified the results.

The meeting was adjourned at 9:48 am.
