

Kiowa County Commissioners Meeting  
Courthouse Lower Level Conference Room  
August 13, 2012  
Canvass Session for the 2012 August Primary Election

Present: Don Richards, John Unruh, Ray Stegman, Carmen Renfrow

9:00: Don Richards opened the meeting. Ray Stegman is substituting for Ron Freeman.

The Clerk, Carmen Renfrow, presented an election spreadsheet with all precincts; write-ins, and subtotals to each Commissioner and Ray. Chairman Don Richards, read the vote totals for each candidate, from each of the three polling place scanner tapes, Greensburg, Haviland, and Mullinville. These votes were verified with the ones on the spreadsheet.

Next the Clerk presented the provisional ballots. Going by the State Statutes, each was determined as to whether or not it should be counted. There were four ballots determined to be unqualified, three due to late registration, and one due to no voter ID presented in the allotted time. The rest were eligible to be counted; the envelopes were turned front side down and opened, each ballot was handed to the Chairman. He read the votes on each ballot; these were added to the subtotals on the spreadsheet to determine the final total for each candidate.

The Commission agreed that the final totals were correct and certified the results. The meeting was adjourned at 11:20 am.
