After more discussion Matt informed them that due to the unsafe air flow at the pods and the mold that Mitzi has requested the items to be moved to the Community building and that would allow the departments to search through the boxes with less health concerns. During Commissioner Discussion Ron brought up the topic of the EMS going on the National Expo conference in Las Vegas and the monthly ambulance invoice we receive does not break down the expenses and ask the Clerk to contact Rosa and Mary to come to the next meeting for their concerns.
