

Kiowa County Commissioners Meeting  
Courthouse Lower Level Conference Room  
April 9, 2012

Election Canvass of the Greensburg City Election of 2012

Present: Ron Freeman, Don Richards, Carmen Renfrow, Kristie Odle, Ray Stegman

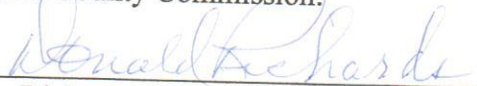

9:00: Don opened the meeting. John Unruh was absent; Don appointed Ray Stegman to fill John's position.

Carmen gave each board member a spread sheet copy of the results of the Greensburg City Election. She explained the nine provisional ballots and one advance ballot.

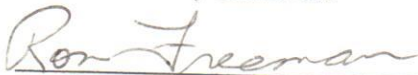

Don read the results from the voting machine tape. Carmen gave the unopened provisional envelopes to Don. They were turned upside down so as not to see names on the front. He opened each envelope, removed the ballot, and then read the votes on each ballot. These votes were recorded in the Provisional column of the spread sheet and then added to the subtotal column to determine the total number of votes for each candidate. After the totals were verified, the Canvassing Board certified the results.

The meeting was adjourned at 9:40 am.
