

Minutes of March 1, 2010
Kiowa County Commissioners Meeting
Courthouse Lower Level Conference Room

Present: Don Richards, Ron Freeman, Gene West, Carmen Renfrow, Dawn Hayes

9:00 Ron opened the meeting.

Two changes were needed in the agenda; Ray Stegman will not be here today and move County Counsel to 11:00. Gene moved to approve the amended agenda, Don seconded, motion carried.

Don moved to approve the minutes of 2/26/10, Gene seconded, motion carried.

Carmen brought to the attention of the Commissioners that the mileage reimbursement rates from the State have changed. She asked if they wanted to apply what was voted on in a meeting last year that the County would stay with the State's reimbursement rates. The Commissioners by consensus agreed to keep out rates the same as the State's.

A recess was called as neither the Road & Bridge Supervisor or the Sheriff will be at the meeting today.

11:00 Dawn Hayes prepared a replacement resolution, 2010-9, to replace the December resolution 2009-28 regarding ending the tax levy for the Senior Citizens group. The first resolution did not get published two consecutive times in the Kiowa County Signal, even though it was requested twice by the clerk. The new resolution states the same as the first, to end the tax levy for the Senior Citizens. It will be published two consecutive times and will then take effect 60 days after the last publication. The County will owe the Senior Citizens the tax levy for January, February, March, and part of April.

Don moved to pass the new resolution 2010-9, Gene seconded, motion carried.

11:20 Jan West, Chairman of the Media Center Board, came with update information.

Most of the equipment for the media trailer has been donated, but some has to be purchased. They have received bids for that equipment and will start the purchasing process.

They are assembling crews from the local community and schools to work on the production to video the building of the Kiowa County Commons.

The Media Trailer will be on display at Kansas Association of Broadcasters this fall.

The Tourism Committee has asked to use the trailer instead of renting a booth at the State Fair this year.

Jan presented the official notice going out to several entities to hire a Programming and Technical Director for the Media Center.

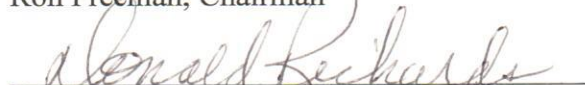

Gene moved to adjourn the meeting at 11:35, Don seconded, motion carried. Ron adjourned the meeting.
