

Kiowa County Commissioners Meeting  
Courthouse Lower Level Conference Room

November 5, 2010

Canvass of the November 2, 2010 General Election

Present: Commissioner Ron Freeman, Commissioner Don Richards, Commissioner Gene West,  
County Clerk, Carmen Renfrow.

9:00 Chairman Ron Freeman opened the meeting:

Each Commissioner and the County Clerk was given a copy of an abstract provided by the Clerk's office and copies of the laws on provisional ballots.

Ron read each of the voting machine tapes and the others compared the numbers to the abstract of votes.

He then read the list of write-ins and the number of votes recorded in the tally books.

Next, the Commissioners checked all the provisional ballot envelopes. An explanation of why they are provisional and what is stated by law as to whether or not they can count was attached to each ballot envelope. Those ballot envelopes that could, by law, be counted were opened upside down so as not to see the voter's signature. These votes were then added to the abstract; then the totals were added to the subtotals. Gene, Don and Carmen compared their numbers and came to the same conclusions on vote totals.

An original abstract was filled in with the correct number of votes, the Commissioners and Clerk signed the abstract certifying the totals.

The meeting was adjourned at 11:15
