Due to the change of operations for public access which went into effect today. I wanted to inform all patrons that the Clerk's Office/County Elections are here to assist your needs. Temporarily we have set up a drop box on the West side of the Courthouse that you can use for voter registration applications, advance voting applications or Candidate filing forms. If you are needing any of those documents, please go to www.sos.kansas.gov for those mentioned forms above. If you have any questions or concerns, please feel free to call our office at 620-723-3366. As things are changing daily please know that we will keep you updated as they come available to us.

Kristi Cooper

Kiowa County Clerk/ County Election Officer
