A FEW THOUGHTS, SOME DEEP, SOME NOT SO DEEP

Hope for the best but prepare for the worst.

People do not often "get by" even when they think they do.

How much wiser people who agree with us appear to be than those who do not.

You can measure the evil in men by the pleasure they get from the misfortunes of others—friends or foes.

Think that what might happen rather than what you would have happen.

Men like water become stagnant without action.
